★★

(9) As an observation, you seem to be trying to deny my right to [certified] copies of *Form W-2: Wage and Tax Statement, Form W-3, Form 1099, Form 1096*, all with my name on them and which I have a right to, and instead are trying to turn my request into one for the full corporate tax return(s). If this is the case, this premise is not accurate.

Income Tax Restructuring Act Of 1998

26 U.S.C. 6402(k) (P. L. 105 - 206 §§ 3505):

Explanation of reason for refund disallowance.

In the case of a disallowance of a claim for refund, the Secretary shall provide the taxpayer with an explanation for such disallowance.

(10) In accordance with 26 U.S.C. 6402(k), send me a true, certified, and complete copy of a meaningful explanation of what taxable activities I've engaged in while working in the private sector since 1981 that would give Affiant a tax liability. If such taxable activity exists, which statute was used to create the liability and under what circumstances did Affiant become the "person made liable" for the "tax liability" so listed.

(I) Any refusal to respond to Requestor's *Freedom of Information Act* request for information shall be acknowledged as a denial of such request, and will further deem and establish the fact that the agency does not have a good-faith belief that there are Information Returns associated with Requestor, as defined by statute.

(II) Also, any refusal to respond to Requestor's *Freedom of Information Act* request for information shall be acknowledged as a denial of such request, and will further deem and establish the fact that the agency does not have a good-faith belief that there are any oaths of office, commissions, and/or bonds associated with Information Returns, as defined by statute.

(III) Also, any refusal to respond to Requestor's *Freedom of Information Act* request for information on point (8) herein shall be acknowledged as a denial of such request, and will further deem and establish the fact that the agency does not have a good-faith belief that the District Director or Secretary have received anything from DELPHI et. al., and Delphi Corporation Tax Staff, and that DELPHI et. al., and Delphi Corporation Tax Staff are acting completely on their own in the theft of Affiant's private sector earnings.

(IV) Also, any refusal to respond to Requestor's *Freedom of Information Act* request for information on point (9) herein shall be acknowledged as a denial of such request, and will further deem and establish the fact that the agency does not have a good-faith belief that there are any forms as described therein with Affiant's name.

(V) Also, any refusal to respond to Requestor's *Freedom of Information Act* request for information on point (10) herein shall be acknowledged as a denial of such request, and will further deem and establish the fact that the agency does not have a good-faith belief that Affiant has engaged in any privileged taxable activities while working in the private sector since 1981, and is not, by statutory definition, a taxpayer.

The making of the request is not to be considered or construed as an admission of "taxpayer" status or of liability for any tax or penalty, and that a refusal to cooperate with the request will be recognized as an acknowledgment that the requester is NOT, in fact, liable for the tax or penalty alleged to be due and owing or otherwise collectible in any manner on any document(s) received and/or in relation thereto.

Any and all responses to this *Freedom of Information Act Request* shall cite which part of the request is being met. Also, any and all responses to this *Freedom of Information Act Request* shall cite which part of the request is being denied. Also, either the Certified Mail #, as it appears at the top of the first page of the request, or the title of the request itself, as it appears in the bottom of the footer of all of the pages, or both the Certified Mail # and the request title, shall be referenced when responding to each *Freedom of Information Act Request*, especially those whose dates are the same on requestor's title (first) page of different *Freedom of Information Act Requests*.
